Dr. Kiranjeet Kaur was born on September 26th, 1951 at Jalandhar, Punjab and had her early education at Patiala, Punjab. She did her M.B.B.S as well as her M.D. (Biochemistry) from Govt. Medical College, Patiala in 1974 and 1983 respectively. She joined Department of Biochemistry at Govt. Medical College, Patiala in 1976. She was elevated to the post of Professor & Head (Biochemistry) in 1988. In 2003, she became the Principal of Govt. Medical College, Patiala and in 2005 she was selected as Director, Medical Education & Research of Punjab state. In 2007, she joined as Director PIMS, Jalandhar.

She also worked as Professor & Head (Biochemistry) & Dean (Academics) at Guru Gobind Singh Medical College, Faridkot. She served for one year at Adesh Institute of Medical Sciences, Bathinda as Professor & Head (Biochemistry) & Dean (Academics).

In 2013, she joined Maharishi Markandeshwar Medical College & Hospital, Solan as Professor & Head of Biochemistry and later took charge as the Principal of the institute from October, 2014. She has been steering and guiding the institution to higher levels of patient care and medical education since then.

She has more than 250 publications in National & International journals to her credit and attended numerous CMEs, conferences & workshops. She has guided more than 400 M.D./M.S. students in her career and still continues to be active in her endeavour for medical education. She is life member of Association of Clinical Biochemists of India (ACBI), Association of Medical Biochemists of India (AMBI) & Indian Medical Association (IMA). She has been an examiner for M.D. (Biochemistry) and Diplomat of National Board examinations. During her service period, she has also served as the inspector/assessor for Medical Council of India (MCI).
